

Covid -19 Safety Plan Summary

The Health & Safety of our staff and guests is very important to us.

- We are asking that no one is waiting inside for a table. We can not have a line up inside
- We are unable to accommodate groups larger then 6 people at this time
- Our max capacity is 36 people and can not exceed 50 people in total

If it's not busy we should be able to seat you right away. If the parking lot looks busy we are asking that you phone 250-378-9112 and ask if a table is available we will take your phone number and call you as soon as we can seat you inside.

If you don't have a phone 1 person from you party can come inside to check in, we will come to your car to get you once your table is ready.

- We will have hand sanitizer available for guests
- We will be offering Curbside pick-up and have two stalls reserved for this
- Every table will be sanitized and disinfected after each use
- High Touch items will be disinfected a number of times throughout the day
- All of our staff will be wearing either a hat visor or a face mask
- Staff will have their temperature checked before starting work each day
- We will be asking everyone to social distance
- All of or tables are either 6 feet apart or protected behind glass or plexiglass
- There will be no condiments left on the tables and it will be brought out by request only
- We will have a limited paper menu that will be disposed of each time used
